## **DEVELOPING PROCEDURES**

### **Section 1**

The Phillipa Hogan School of Dance organisation teaches Ballet and Contemporary Dance to children from age 2 ½-18 years.

Our organisation is committed to the welfare and protection of children and young people within all the activities our organisation undertakes.

We ensure that all concerns about the care and protection of children/young people are effectively managed, and the staff and volunteers who are required to implement the procedures are not solely those who work with children and young people under the age of 18 years.

These procedures have been designed to ensure that the welfare and protection of any child and/or young person who accesses the services provided by **Phillipa Hogan School of Dance**. The procedures recognise that child protection can be a very difficult subject to deal with to the extent that it is sometimes easier to close your eyes to what is happening or believe that it is somebody else's problem to deal with. **The Phillipa Hogan School of Dance** is committed to the belief that protecting children and young people is everybody's responsibility and therefore the aim here is to provide guidelines that will enable all staff and volunteers to act appropriately to any concerns that arise in respect of a child/young person.

The **Phillipa Hogan School of Dance** will endeavour at all times to be committed to equal opportunities.

### **Section 2**

#### **Recognising the Signs and Symptoms of Abuse**

The **Phillipa Hogan School of Dance** organisation will endeavour at all times to recognise the signs and symptoms of abuse as listed below.

##### **Physical Abuse:**

Physical abuse may involve hitting, shaking, throwing, poisoning, and burning, scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.

##### **Emotional Abuse:**

Emotional abuse is the persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to children that they are worthless or unloved, inadequate or valued only in so far as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or "making fun" of what they say or how they communicate. It may include interactions that are beyond the child's developmental capability, as well as over protection and limitation of exploration and learning or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber bullying) causing children to frequently feel

frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of ill treatment of a child, though it may occur alone.

### **Sexual Abuse:**

Sexual abuse involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including penetrative (for example rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may include non-contact activities such as involving children in looking at, or in the production of, sexual images or watching sexual activities or encouraging children to behave in sexually inappropriate ways or grooming a child in preparation for abuse (including via the internet). Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.

## **Section 3**

### **Responsibilities of the Phillipa Hogan School of Dance Organisation**

- undertake a risk assessment and monitor risk throughout the production process;
- identify at the outset the person with designated responsibility for child protection;
- engage in effective recruitment of chaperones and other individuals with responsibility for children, including appropriate vetting (if necessary, in consultation with the local authority);
- ensure that children are supervised at all times;
- know how to get in touch with the local authority social care services, in case it needs to report a concern.

- Ensure that any concerns about a child/young person are acted on, clearly recorded, referred on where necessary and, followed up to ensure the issues are addressed.
- The named person(s) will record any reported incidents in relation to a child/young person. These will be kept in a secure place.

## Section 5

### **Stages to Follow if You are Worried About a Child**

#### **Suspicion of Abuse**

- If you see or suspect abuse of a child while in the care of children/young adults at the Phillipa Hogan School of Dance organisation, please make this known to the person with responsibility for child protection.
- If you suspect that the person with responsibility for child protection is the source of the problem, you should make your concerns known to the local authority designated officer (LADO).
- Please make a note for your own records of what you witnessed as well as your response, in case there is follow-up in which you are involved.

- If a serious allegation is made against any member of the Phillipa Hogan School of Dance organisation, chaperone, venue staff etc., action will be taken to ensure the individual does not have further contact with the child until the investigation is concluded. The individual will be excluded from the dance venue, theatre, rehearsal rooms, etc. and will not have any unsupervised contact with any other children in the Dance School.

### **Disclosure of abuse**

Should a child confide in you that abuse has taken place:

- Remain calm and in control but do not delay taking action.
- Listen carefully to what has been said. Allow the child to tell you at their own pace and ask questions only for clarification. Don't ask questions that suggest a particular answer.
- Don't promise to keep it a secret. Use the first opportunity you have to share the information with the person with responsibility for child protection. Make it clear to the child that you will need to share this information with others. Make it clear that you will only tell the people who need to know and who should be able to help.
- Reassure the child that 'they did the right thing' in telling someone.
- Tell the child what you are going to do next.
- Speak immediately to the person with responsibility for child protection. It is that person's responsibility to liaise with the relevant authorities, usually Children's Social Care or the Police.
- Never investigate or take sole responsibility for a situation where a child makes a disclosure.
- As soon as possible after the disclosing conversation, make a note of what was said, using the child's own words. Note the date, time, any names that were involved or mentioned, and who you gave the information to. Make sure you sign and date your record.

### **Who to tell and what to tell them**

- If you have concerns about the wellbeing of a child in your care you have a duty to report it to the organisations welfare officer who will contact the child employment manager. If you are unable to contact them you should contact Surrey County Council Children's Services.

- The telephone numbers are:

**Child employment office:** 01483 517838

**Child employment manager:** 01483 518464 / 07971 664861

**Multi agency safeguarding hub:** 0300 470 9100

**Children's services emergency duty team (out of hours):** 01483 517898

- Where you make such a referral, please advise the child employment office at the earliest opportunity. We can offer you the appropriate support and advice where required.

## **Recording of information**

- In all situations, including those in which the cause of concern arises from a disclosure made in confidence, the details of an allegation or reported incident will be recorded, regardless of whether or not the concerns have been shared with a statutory child protection agency.
- An accurate note shall be made of the date and time of the incident or disclosure, the parties involved, what was said or done and by whom, any action taken to investigate the matter, any further action taken e.g. suspension of an individual, where relevant the reasons why the matter was not referred to a statutory agency, and the name of the persons reporting and to whom it was reported.
- The record will be stored securely and shared only with those who need to know about the incident or allegation.

## **Section 6**

### **Creating a Safe Organisation**

#### **Photographs and images of children**

There are risks posed directly and indirectly to children and young people through the use of photographs on web sites and in other publications such as theatre programmes. Photographs can be used as a means of identifying children when they are accompanied with personal information, for example, "this is X who goes to such-and-such a school and who likes playing football". This information can make a child vulnerable to an individual who may wish to start to 'groom' that child for abuse. Secondly the content of the photo can be used or adapted for inappropriate use. There is evidence of this adapted material finding its way on to child pornography sites.

**Phillipa Hogan School of Dance** ask for parental permission for their child's photograph to be used for media purposes via the general Dance School Registration form.

#### **Parents of Dance School Pupils**

The Phillipa Hogan School of Dance believes it to be important that there is a partnership between parents and the organisation. Parents are encouraged to be involved in the activities of the organisation and to share responsibility for the care of children.

All parents will be given access to an online copy of the Phillipa Hogan School organisation's Child Protection Policy and procedures.

All parents have the responsibility to collect (or arrange collection of) their children after classes, rehearsals or performances.

## **Unsupervised Contact**

The organisation will attempt to ensure that no adult other than appointed and trained staff/volunteers has unsupervised contact with children.

If possible, there will always be two adults in the room when working with children.

If unsupervised contact is unavoidable, steps will be taken to minimise risk. For example, Dance School work will be carried out in a public area or in a designated room with a door open.

If it is predicted that an individual is likely to require unsupervised contact with children, he or she may be required to obtain a criminal record disclosure from the Disclosure and Barring Service.

All children will be chaperoned at all times during Dance School Productions.

## **Safe Touch**

- All staff and volunteers operate under the 'Safe Touch' guidelines.
- Adults will only touch children when it is necessary, in relation to correcting technique, with regard to the specific technical training required for ballet and contemporary dance.
- Parents are informed of the Dance School procedures regarding 'Safe Touch' via the registration form and general Dance School information which invites parents and guardians to contact the Principal of the Dance School for further discussion.

## **Managing Sensitive Information**

- The organisation has policy and procedures for the taking, using and storage of photographs or images of children.
- Permission will be sought from the parents for use of photographic material featuring children for promotional or other purposes.
- The organisation's web-based materials and activities will be carefully monitored for inappropriate use.
- The organisation will ensure confidentiality in order to protect the rights of its staff and volunteers, including the safe handling, storage and disposal of any sensitive information such as criminal record disclosures.

## **Rights & Confidentiality**

- If a complaint is made against a member of staff of the organisation he or she will be made aware of his/her rights under the organisation's disciplinary procedures.
- No matter how you may feel about the accusation, both the alleged abuser and the child who is thought to have been abused have the right to confidentiality under the Data Protection Act 1998. Remember also that any possible criminal investigation could be compromised through inappropriate information being released.

## **Accidents**

- To avoid accidents, chaperones, volunteers and children will be advised of "house rules" regarding health and safety and will be notified of areas that are out of bounds. Children will be advised of the clothing and footwear appropriate to the work that will be undertaken.
- If a child is injured while in the care of the organisation, a designated first-aider will administer first aid and the injury will be recorded in the organisation's accident book. This record will be counter-signed by the person with responsibility for child protection.
- If a child dances in classes or a dance school production with an obvious physical injury, a record of this will be made in the accident book. This record will be counter-signed by the person with responsibility for child protection. This record can be useful if a formal allegation is made later, and will also be a record that the child did not sustain the injury while participating in class or the Dance School Production.

## **Chaperones**

- Chaperones registered with their local authority, will be appointed by the organisation for the care of children during any Dance School Production. The chaperone is acting in loco-parentis and should exercise the care which a good parent might be reasonably expected to give to a child. The maximum number of children in the chaperone's care shall not exceed 12.
- Potential chaperones will be required to obtain a chaperone registration from their local authority and to supply this registration to the organisation once the local authority has approved them as a chaperone.
- Chaperones will be made aware of the Phillipa Hogan School of Dance organisation's Child Protection Policy and Procedures.
- Chaperones may have unsupervised access to children in their care, consequently a criminal record disclosure will be sought as a requirement of the local authority, before the grant approval is given for the chaperone.
- Where chaperones are not satisfied with the conditions for the children, they should bring this to the attention of the Dance School Principal. If changes cannot be made satisfactorily the chaperone should consider not allowing the child to continue.
- If a chaperone considers that a child is unwell or too tired to continue, the chaperone must inform the producer and not allow the child to continue.
- Under the Dangerous Performances Act no child of compulsory school age is permitted to do anything which may endanger life or limb. This could include working on wires or heavy lifting. Chaperones should tell the Dance School Principal to stop involving children in dangerous performances, and should contact the local authority.
- During performances, chaperones will be responsible for meeting children at the stage door and signing them into the building.

- Children will be kept together at all times except when using separate dressing rooms.
- Chaperones will be aware of where the children are at all times.
- Children are not to leave the place of performance unsupervised by chaperones unless in the company of their parents.
- Children will be adequately supervised while going to and from the toilets.
- Children will not be allowed to enter the adult dressing rooms.
- Chaperones should be aware of the safety arrangements and first aid procedures in the venue, and will ensure that children in their care do not place themselves and others in danger.
- Chaperones should ensure that any accidents are reported to and recorded by the organisation.
- Chaperones should examine accident books each day. If an accident has occurred, the Dance School Principal is not allowed to use that child until a medically qualified opinion has been obtained (not just the word of the parent or child).
- Chaperones should have written arrangements for children after performances. If someone different is to collect the child, a telephone call should be made to the parent to confirm the arrangements.
- Children should be signed out when leaving and a record made of the person collecting.
- If a parent has not collected the child, it is the duty of the chaperone to stay with that child until arrangements have been made to take the child home.

### **Reviewing Policies and Procedures**

This policy will be regularly monitored by the Dance School Principal and will be subject to annual review.

Any changes/amendments will be shared with all dance school staff, parents and carers.

**Next Review Date: September 2021**
